Ray Ronan  
Quality Manager \ MT-PT Level III  
Metal Improvement Co. \ EM Coatings Services  
2172 Old Highway 8 NW  
New Brighton, MN 55112

Dear Ray,

The following products are compliant with RoHS (Restriction of Hazardous Substances EU 2015/863 ) requirements based on our current knowledge of the allowable composition and the information available to us from our raw material suppliers. However, no analytical testing is conducted to identify trace levels of RoHs prohibited substances.

PRODUCT:	STATUS
Evershield® EC-N-501	Compliant

Regards,

**Charles J Beall**  
Business Unit Manager | CWST Group Technical Director
