**Re: EC Directive on Waste Electrical and Electronic Equipment (WEEE) and EC Directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (ROHS), RECAST 2011/65/EU & Directive (EU) 2015/863**

Restriction on use of: lead, hexavalent chromium, polybrominated biphenyl (PBB) and polybrominated diphenyl ether (PBDE) flame retardants, at levels of greater than 0.1%; cadmium and mercury at levels greater than 0.01%; and Pentabromodiphenylether, Octabromodiphenylether, and Decabromodiphenyl oxide, in concentrations higher than 0.1%; and HBCDD, DEHP, BBP, DIBP, and DBP in concentrations greater than 0.1% in Spartech product(s):

Item Code	Description
DS00103847WE	HIPS GP/.1180/36.000/40.000/BLACK
DS00103671WE	HIPS GP/.1570/30.000/40.000/BLACK

This letter responds to your request for information regarding EC Directive Restricted Substances on the above Spartech Product. The following statements are in support of your request.

Based on the information provided to Spartech by its raw material suppliers and our formulation reviews, we have found that the Spartech product listed above does not contain RoHS/WEEE substances above listed concentrations and would therefore be in compliance with the European RoHS/WEEE regulation. Please note that we do not routinely test for these materials. We certify that we do not intentionally add or use these materials in the manufacture or handling of the above product, at or above restricted concentrations.

The information submitted is valid as of the date of this letter for products manufactured in North America. Spartech makes no representations or warranties as to the accuracy of the information contained or referenced herein as of any other date. If you have any questions concerning this matter or if we can be of further assistance, please do not hesitate to contact us. Please contact your Spartech Sales Representative should you need additional product support.

Sincerely,

Philip Bahner
